

PREPARATORY COURSE FOR INTERNATIONAL ENGLISH LANGUAGE TESTING SYSTEM (IELTS)

Introduction

IELTS is the International English Language Testing System, which measures the ability to communicate in English across all four language skills: listening, reading, writing and speaking. IELTS is also for those who seek employment or wish to further their education in places where English is the language of instruction. More than 6,000 education institutions, faculties, government agencies and professional organisations around the world recognise IELTS scores as a trusted and valid indicator of one's ability to communicate in English. Over 1,000,000 people a year are now using IELTS to open doors throughout the English-speaking world and beyond.

This Preparatory Course for IELTS is strongly recommended for students who wish to have international recognition of their language proficiency, particularly and preferably those who have completed the General English Intermediate tier or the General English Advanced tier.
