

CAMBRIDGE INTERNATIONAL AS & A LEVEL PROGRAMMES (YEAR 11 & YEAR 12)

Introduction

The Cambridge International AS & A Level Year 11 and Year 12 programmes are based on the curriculum and examinations conducted by Cambridge Assessment International Education (CAIE). These qualifications are recognised globally for admission to universities in the UK, Australia, the USA, and Singapore. The programme provides daily intensive lessons to prepare candidates for the rigour of pre-university assessments.

The curriculum emphasises analytical thinking and mastery of complex concepts to support global tertiary academic progression. While the primary focus is on qualifications from CAIE, students may also take equivalent subject exams offered by other recognized exam boards, such as OxfordAQA, Pearson Edexcel, and the Singapore Examinations and Assessment Board (SEAB). Because syllabus and assessment structures vary, students are advised that rules for combining grades are determined solely by the admissions offices of their target universities. This flexible approach allows students to pursue the qualifications best suited to their aspirations beyond Year 12.

Successful candidates can pursue higher education at institutes of higher learning locally or overseas. Within this framework, Year 11 generally covers the Advanced Subsidiary (AS) Level, and Year 12 leads to the completion of the full Advanced (A) Level examinations.

Academic Calendar & Intake

This approach allows students to integrate into the Cambridge AS & A Level cycle at several points throughout the year, minimising potential learning gaps during academic transitions. [Our latest School Calendar is available online.](#)

Examination Support

The Cambridge AS & A Level provides two primary examination sittings annually: the June series and the November series. Students may also take equivalent subject exams offered by other recognised exam boards, such as OxfordAQA, Pearson Edexcel, and the Singapore Examinations and Assessment Board (SEAB). Students are advised that syllabus content and assessment structures may vary between different exam boards. For the purposes of admission to further study, the rules for combining grades from different examination boards are determined solely by the admissions office of the respective tertiary institutes and institutes of higher learning. Our flexible calendar supports preparation for different exam sessions through the following protocols.

- **Entry Points:** Students may commence their studies in August, December, or February to align with their specific academic goals.
- **Pacing Alignment:** Students joining mid-cycle can be paced toward the most appropriate examination series to meet examination requirements.
- **Registration Assistance:** The school provides student support service for external examination registration. Registration typically occurs in January for the June sitting and June for the November sitting.

Teaching Staff

The teacher to student ratio is less than 1:25, subject to room capacity. All of our teachers are dedicated and experienced, possessing at least university degrees and are registered with the SkillsFuture Singapore (SSG).

Mode of Assessment

1. Internal Assessments are conducted four times per year in the form of weighted written examinations.
2. Students will sit for the Cambridge AS & A Level Examinations at Stalford Academy. As a Cambridge International School, all examinations are conducted on school premises and externally marked by Cambridge International.

EduTrust Certification Scheme

The EduTrust Certification Scheme (EduTrust) is a quality assurance scheme administered by the SSG for PEIs in Singapore. It aims to distinguish private schools that are able to consistently maintain a high standard of quality in the overall provision of education services and make continual improvements that lead to positive student outcomes. Stalford Academy has been awarded 4-year EduTrust since 2013. [Please refer to the SSG Training Partners Gateway website for more details.](#)

Fee Protection Scheme

To comply with the requirements of EduTrust, the Fee Protection Scheme (FPS) is implemented for all students for course fees payment. The FPS serves to protect the students' fees in the event a Private Education Institution (PEI) is unable to continue operations due to insolvency, and/or regulatory closure, or if the PEI fails to pay penalties or return fees to the student arising from judgments made against it by the Singapore courts. Stalford Academy uses The Lonpac Insurance Bhd for our FPS (Group) Insurance. The policy certificate is [available for download here](#). For more information on the FPS, please contact Stalford Academy or [visit the SSG website](#).
